

Internship offer – Global Sovereign Advisory

Global Sovereign Advisory

Global Sovereign Advisory ('GSA') is an independent firm dedicated to advising governments and State-owned entities around the world on strategic issues. GSA promotes a holistic approach to public sector matters, addressing financial as well as policy issues.

GSA advises on a broad range of topics, from macro-fiscal issues, to relationships with international institutions, economic strategy/competitiveness and promotion, debt management strategy, debt restructurings as well as governance.

GSA promotes a result-oriented culture fully dedicated to its clients and achieving their goals. To this end, we only provide tailor-made solutions, building dedicated teams for each mission and adding on world-renowned experts from our network when relevant.

GSA was founded by Anne-Laure Kiechel, former Partner and Head of Rothschild's Sovereign Advisory group.

Advisory intern role

The advisory intern missions will include:

- Macroeconomic and financial analysis;
- Mandates execution and marketing efforts;
- Financial modelling (debt sustainability analysis, project finance...).

Regarding mandates execution, he/she will be fully integrated to the dedicated teams.

Based in Paris, but the intern may have to travel occasionally in Africa, South America, Middle-East and Europe.

Candidate profile

High potential master students with a strong background in macroeconomics, international affairs and finance.

Excellent analytical and communication skills.

Previous professional experience in challenging environments (investment banking, strategy consulting...), academic research and/or economic administrations are highly appreciated.

Fluency in English and French writing and speaking are a must, good knowledge of other languages (Spanish, Arabic, Portuguese...) is a plus.

Application process

6 months internship starting in January 2020 as part of a French "convention de stage".

Selection process: two rounds of interviews, written test on international affairs, macroeconomics and finance (1h30).

Please send your Curriculum Vitae to hr@globalsov.com before October 19th.
